

TRAVELING TEXTBOOK BONUS POINTS CONTEST

Here's a quick and easy way to accumulate 5 bonus points per grade period. Just take your American History textbook with you when you travel with your family. All you need to do is have your picture taken, with your text in hand, at a location at least 100 miles from Westerville North High School. You will receive 5 bonus points for taking your text on your trip and providing me with a picture of the "two of you". The student with the greatest mileage from WNHS in one photo stop will win a prize in June.

The following are some of the rules for this contest:

1. The location must be recognizable. Some indicators you could pose with are road signs, famous buildings, landmarks, geographic features, etc. No "Take my word for it; my uncle's house is 100 miles away".
2. Mileage to the site will be calculated by using WNHS' address and that of your location on Google maps.
3. I will examine digital photos to insure no "creative" use of camera technology. (No visits to Neptune)
4. Both you, and the text, must be recognizable.
5. It has not been decided whether or not class or band trips will be counted.
6. Since you will have the text with you, why not do your reading assignment when you're bored? Or flying to or from there? Or riding in a car?
7. All photos will be posted in room 150.
8. Only 5 points possible per card-marking period.
